CCRS 2026 — Sponsorship Prospectus

Cognicert Cyber Resilience Summit 2026　　　**ExCeL London, United Kingdom**

events@cognicert.com　　　**8/19/26**　　　**Theme: AI, Ransomware & The Future of Cyber Resilience**

1. Executive Summary

Cognicert International presents the **Cognicert Cyber Resilience Summit 2026 (CCRS 2026)** — Europe's premier cyber resilience event designed to empower organisations with practical, standards-driven strategies to defend against AI-powered cyber threats, ransomware escalation, digital identity risks, and complex regulatory expectations.

Hosted in London, a global hub for cybersecurity innovation and governance, CCRS 2026 will gather senior executives, CISOs, auditors, regulators, policymakers, and technology innovators for two days of strategic dialogue, real-world case studies, and industry-leading insights.

2. Why Sponsor CCRS 2026?

The Opportunity

Cybersecurity remains one of the most critical investment areas for organisations worldwide. CCRS 2026 provides a unique platform for companies to:

- Reach **350–500 senior decision-makers**
- Build **brand authority and trust**
- Demonstrate leadership in **cyber resilience, AI security, and regulatory compliance**
- Generate **high-quality leads** and partnerships
- Position your organisation as a **thought leader in the UK and Europe**

Sponsor Alignment

CCRS 2026 focuses on real-world resilience strategies aligned with:

- **ISO 27001:2022**
- **ISO 22301**
- **NIS2**
- **DORA**
- **GDPR**
- Global cybersecurity frameworks and best practices

3. Audience Profile

CCRS 2026 is designed for senior decision-makers and influencers, including:

- CISOs, CIOs, CTOs

- Risk Managers, Compliance Officers

- Data Protection Officers

- Business Continuity & Crisis Management leaders

- OT / ICS Security professionals

- Regulators, government, and law enforcement

- Cybersecurity vendors, MSSPs, and technology innovators

- ISO 27001 and ISO 22301 implementation teams

4. Event Format & Highlights

CCRS 2026 includes:

- **2 days of keynotes and expert-led sessions**

- **3 parallel tracks** (Technical, Governance, Infrastructure)

- **CISO & Board roundtables**

- **Hands-on workshops and simulations**

- **Expo Zone & Innovation Pavilion**

- **Networking reception at the Dockside**

---

5. Sponsorship & Exhibition Opportunities

Available Categories

- **Platinum Sponsor (2 only)**
